Attn: Mr. David Tung, Site Agent

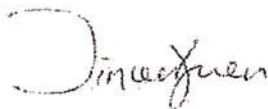

Dear Sir,

Contract No. HY/2009/04  
Noise Barriers on Fanling Highway  
between MTR Fanling Station and Wo Hing Road  
Material Submission – Precast Concrete Profile Barrier

I refer to your *Contractor's* Submission dated 19 April 2012 regarding your material submission of precast concrete profile barrier manufactured and supplied by Goodview Construction Materials Engineering Company Ltd.

Based on the current information available, your proposed precast concrete profile barrier appears to be the respective character, quality or kind required by the contract. Accordingly, I have no objection to the use of precast concrete profile barrier for the contract.

Yours faithfully,  
MEINHARDT INFRASTRUCTURE AND ENVIRONMENT LTD.

Vincent Yuen
